SUMMER!**

Students will receive a backpack, reading log, and five self-selected books to read over the summer. Read and record their minutes on each date. Please total the minutes at the end of the summer. Every other Monday of the summer, Lindemann students are invited to come to a FREE book swap and popsicle social from 12:00-1:00 pm at the front doors of Lindemann School. They can trade in any of their books for something different to read and enjoy a popsicle with a Lindemann teacher!
